Member Interest Questionnaire

In order to fully understand the resources that exist within our members in this community, it is important that we know what it is you like to do. We prefer that people volunteer, but sometimes the board of directors will ask for assistance. They prefer to ask a person to help out in ways that they know he/she would enjoy.

a. What do you like to do for fun?

b. What skills/talents do you possess?

c. What is your best attribute (if someone else were to describe you as a person, what might they say)?

d. Do you like working with your hands? If so, how? (i.e. gardening, building things, etc.)

e. If you were asked to participate in the Cooperative, what would you want to do?

f. What days and/or times work best for you?

- Ad-hoc committees, as needed
Thank-you for completing this questionnaire. A member of the community will be contacting you shortly about your volunteer interests.
