STOP THE SPREAD

WASH YOUR HANDS FREQUENTLY
Regularly and thoroughly clean your hands with an alcohol-based hand rub or wash them with soap and water.

MAINTAIN PHYSICAL DISTANCING
Maintain at least 3 feet distance between yourself and anyone who is coughing or sneezing.

AVOID TOUCHING EYES, NOSE AND MOUTH
Hands touch many surfaces and can pick up viruses. Once contaminated, hands can transfer the virus to your eyes, nose or mouth.

IF YOU HAVE A FEVER, COUGH AND DIFFICULTY BREATHING, SEEK MEDICAL CARE EARLY
Stay home if you feel unwell. If you have a fever, cough and difficulty breathing, seek medical attention and call in advance.
